## End Domestic Abuse

A collaborative effort in support of Domestic Violence Awareness Month.

**Did you know that U.S. workers lose nearly eight million days of paid work each year due to domestic violence?** This is the equivalent of more than 32,000 full-time jobs and nearly 5.6 million days of productivity.

**Every three days in Arizona, someone dies as a result of domestic abuse.** You could save a life. October is Domestic Violence Awareness Month. To generate conversation about the issue of domestic abuse, we ask that you consider participating in the following ways:

1. Wear purple and/or a purple ribbon on **Wear Purple Day, October 17, 2014**. For more ideas visit [www.paintpimapurple.org](http://www.paintpimapurple.org). Encourage your workplace to ask its employees to participate.
2. Send out our weekly Paint Pima Purple e-mails or drop the content into your pre-formatted employee communications. Use them any day of the week that you would normally be e-mailing your employees, and use the special edition e-mail on Friday, October 17, for Wear Purple Day. If you sign up for this program, you will receive all of the content ahead of time and a reminder each Tuesday in October. Sign up today! Just let your Paint Pima Purple contact know or e-mail [events@emergecenter.org](mailto:events@emergecenter.org).
3. Have a *Stuff the Bus* contest with your workplace, place of worship, social club, or other group. Use the wish list on Emerge!'s website or the Paint Pima Purple site and bring those items to *Stuff the Bus* on **October 17, 2014 6:00 a.m. to 6:00 p.m.** at Sam Levitz Furniture at Pantano and Broadway. **All cash donations on the 17th will be matched by the Arizona Lottery!**
4. Order a bumper sticker for yourself or your company fleet. This is a static sticker that will easily peel off without leaving residue. Call 795-8001 ext. 7013 for more information.
5. Put up Emerge!'s poster, display brochures, or request shoe cards to give to your employees or customers/clients. Call 795-8001 to place your order, or e-mail [communications@emergecenter.org](mailto:communications@emergecenter.org).
6. Visit [www.paintpimapurple.org](http://www.paintpimapurple.org) for more ideas on how you can join the other organizations in Pima County that are building awareness about domestic abuse.
