End Domestic Abuse

A collaborative effort in support of Domestic Violence Awareness Month.

Wear Purple Day is October 17, 2014

Tucson Mayor Jonathan Rothschild has declared Friday, October 17, 2014 as Wear Purple Day. Don't have anything purple? Get a purple ribbon! See (right) how the workers at Freeport McMoRan found a creative way to participate.

Join people from all over Pima County by wearing purple clothes, or a purple ribbon on this day to raise awareness about domestic abuse in our community. Did you know more than 12,000 domestic violence arrests were made last year in Pima County? Stand in solidarity with the victims.

Take it one step further: get a poster for your workplace, send out an email to your friends or co-workers, offer purple ribbons for people to wear, etc. Remember to take a photo! Send your group photo to events@emergecenter.org so we can post it!

For more information, visit paintpimapurple.org and emergecenter.org or call 520-795-8001.

REMEMBER! ALL GIFTS OF CASH ON OCTOBER 17TH WILL BE MATCHED!

One of Emerge! Center Against Domestic Abuse's 2014 Stuff the Bus sponsors, the Arizona Lottery, will match any monetary donation to Emerge! up to \$10,000. This means that every dollar you give will double! Donate online at emergecenter.org, bring cash to the Stuff the Bus (Sam Levitz at Pantano & Broadway) or call 520-795-8001.
